OIC-Schools Division Superintendent
City of Mandaluyong

Dear MADAME;

Greetings of Peace!

Cognizant to DepEd Order No. 5, s. 2014 on the integration of Gulayan sa Paaralan and of the National Greening Program as the key components to attain the goals of DepEd on poverty reduction, food security, biodiversity conservation and climate change mitigation and adaptation, the strong and active Parents & Teacher-officers of the Mandaluyong Federation of Parents Teachers Association (MFPTA) from the twenty-two (22) public elementary and high schools in Mandaluyong City, are very much willing to undergo trainings and seminars, cooperate, help and take part in the establishment of vegetable gardens in every schools to serve as food basket/main source of commodities to sustain supplementary feeding, establish nurseries/seed banks for the propagation of vegetable seedlings, and small trees or samplings.

Last January 27-28, 2015, fifty (50) PTA officers attended a seminar-workshop on URBAN AGRICULTURE - Gulayan sa Paaralan and Food Staples Sufficiency Program at Green Lake Resort, Talisay, Batangas. This was sponsored and conducted by the Department of Agriculture region 4-A.

Bureau of Plant Industry gave us 12 variety of vegetable seeds which we will be using in gulayan project this school year. In this regard, we humbly ask your good office to please help us in this undertaking by giving us permission to use the Division's Conference Room for a short orientation, slide-show and turn-over of seeds to 22 GPTA Officials on June 18, 2015 (Thursday) 2:00P.M. onward. Also, we humbly seek issuance of a Division Memorandum requiring the presence of Teacher/s in-charge of Agriculture subject, in behalf of their school to accept together with their GPTA Official such seeds.

Looking forward to your usual prompt and positive response. Thank you and more power!

Respectfully yours,

MANDALUYONG FEDERATION OF PARENTS-TEACHERS ASSOCIATION
